

# *Like mother, like daughter?*

## *Children learn by doing what you do. What habits are they learning from you?*

Our Center for Bariatric Surgery, recently named a Center of Excellence by the American Society for Bariatric Surgery (ASBC), has compassionate, caring medical staff, the latest technology and the most sensitivity to your particular health challenge. If you're ready to get healthy – and start showing your children how to have a better, healthier lifestyle – we're here to help.
